

ANJALI CHITTHABATHINA

Nellore, India | +91 8367473813 | anjalireddy402@gmail.com

CAREER OBJECTIVE

Motivated and enthusiastic Computer Science graduate seeking an entry-level position to contribute to innovative projects, enhance skills, and grow professionally in a dynamic organization.

EDUCATION

Institution	Degree / Stream	Year	Score
PBR Visvodaya Institute Of Technology & Science	B.Tech – CSE	2022–2026	CGPA: 9.13/10
Sree Vasishta Junior College	Intermediate – MPC	2020–2022	912/1000
Sri Vidyaniketan EM High School	SSC (10th)	2019–2020	542/600

INTERNSHIP

Java Full Stack Development Intern – CodeTantra 2024–2025

- Completed structured training in core Java, OOP, and full-stack fundamentals via the CodeTantra platform.
- Worked on hands-on exercises covering Java backend logic, frontend basics, and database connectivity.

PROJECTS

Web Chatbot for Automated User Interactions 2024–2025

- Built a responsive web chatbot for real-time user assistance using HTML, CSS, and JavaScript with API key integration.
- Enabled dynamic AI-powered responses through external API, improving user interaction and query resolution.
- Tools: HTML, CSS, JavaScript, VS Code

Speech Emotion Recognition Using CNN-LSTM and Vision Transformer 2025–2026

- Developed a deep learning model to predict emotions from speech signals using the RAVDESS dataset.
- Combined CNN, LSTM, and Vision Transformer on mel-spectrograms for high-accuracy emotion classification.
- Tech Stack: Python, Django, XAMPP | Libraries: TensorFlow, Keras, NumPy, Pickle

TECHNICAL SKILLS

Programming: Java (Basics), Python (Basics)

Frontend: HTML, CSS

Database: SQL (Basics)

SOFT SKILLS

Problem-Solving | Logical Thinking | Time Management | Teamwork | Adaptability

CERTIFICATIONS & ACHIEVEMENTS

- Participated in Project Expo – Ramireddy Subbaramireddy Engineering College, Nellore.
- Won prize in Technical Quiz – P.B.R Visvodaya Institute of Technology & Science, Nellore.
- Participated in PowerPoint Presentation – Andhra Engineering College, Atmakur.
- Completed three-day workshop on Amazon Web Services (AWS).
